STUDENT USE OF TECHNOLOGY

Student Expectations Re: Use of Technology

Students are responsible for their behavior/actions during all remote learning activities. Parents are strongly encouraged to provide students with periodic reminders related to the appropriate use of technology.

The taping of, recording of, manipulation of and/or posting to social media of interactive learning opportunities is **prohibited**; as are any other actions or behaviors that infringe on the safety, security and privacy of students and staff. **Failure to comply with this expectation may result in disciplinary action and/or removal from future interactive learning experiences.**

Parents and guardians are urged to monitor online instruction to ensure that students are engaged in appropriate behaviors that support their learning experience.

Parents and students should review the Violations Re: Electronic Devices section of the District's Code of Conduct for additional clarification regarding unacceptable use of technology.

A STUDENT'S VIRTUAL DAY

Remote learning activities will be posted daily (M-F) by 8:00 AM on each teacher's Google Classroom.

Teachers will be available during school hours- Monday through Friday (school days) for instructional guidance and support. Detailed information that is specific to each class will be provided by the classroom and special area teacher.

Teachers and support staff will maintain regular, minimum of bi-weekly, contact with students via their Google Classroom, telephone, e-mail and/or virtual learning platforms. Logs of student contact should be maintained.

Parents/Students should reach out to the appropriate teacher with any questions or concerns related to assigned work.

E-mails/phone calls will be responded to within 24 hours, Monday through Friday.

The instructional time chart noted below is a guide in regard to the amount of time that students in grades 9 - 12 should be engaged in.
